

21st Century Amenity Management Responding to policy change

Grant Stark

Chemicals Regulation Division

- **Changes afoot. Responsibility for developing the new policy.**
- **The important role the Forum has played and will play.**

- **21st Century issues and challenges:**
 - **Hazard v risk;**
 - **Securing engagement;**
 - **Greater recourse to regulatory solutions?**
 - **Science and public opinion.**
 - **Continuing squeeze on pesticide availability?**
 - **New technologies.**
 - **Priorities. IPM, monitoring, transparency and protecting water.**

Thank you
