    - 67 took part
    - 4 questions
    - Graph to follow

☰ Which of the following best describes the purpose of Official Control Regulations (OCR)?

67

A mechanism to identify those selling, applying and using PPP's.

A means to account for the volume of PPP's that are sold and the volumes being applied by users.

A means to ensure that all sites where PPP's are used are recorded.

I'm really not sure.

A means to ensure that all sales of professional PPP's are recorded.

Allowed selections: 2

# Change
